

ЕГЭ говорение

Задание №3

По легенде, к вам приходит друг, которому вы показываете свой фотоальбом. Вы выбираете из альбома одну фотографию и начинаете рассказ о ней по определенному плану.

Task 3. Imagine that these are photos from your photo album. Choose one photo to present to your friend.

You will have to start speaking in 1.5 minutes and will speak for not more than 2 minutes (12–15 sentences). In your talk remember to speak about:

- *where and when the photo was taken*
- *what/who is in the photo*
- *what is happening*
- *why you keep the photo in your album*
- *why you decided to show the picture to your friend*

You have to talk continuously, starting with: “I’ve chosen photo number...”

Сразу ориентируем вас на объем высказывания – 12-15 предложений. Т.е. примерно по два предложения на каждый пункт плана и по два предложения на вступление и заключение.

I’ve chosen photo number 1. Эта фраза не является вступлением и не входит в зачет объема высказывания.

Вступление: To start with, I’d like to say that I have a friend. His name is Steve. He lives abroad and sometimes visits Russia with his family. You can see them in this picture.

Первый пункт: *where and when the photo was taken*, т.е. где и когда было сделано фото.
I took this photo in my flat when Steve visited me last month. Frankly speaking, his visit was so unexpected. But I was over-excited to meet him at my place.

Второй пункт: *what/who is in the photo*, т.е. кто/что на фото.
You can see Steve and his wife in the photo. Their daughter wanted to be photographed, too.

Третий пункт: *what is happening*, т.е. что именно происходит на картинке.
The family are sitting on the sofa, smiling and showing love for each other. They are really happy.

Четвертый пункт: *why you keep the photo in your album*, т.е. почему вы храните эту фотографию в своем альбоме. I keep the photo in my album to have an opportunity to show this picture to all my guests. In addition to it, I often look at the photo to recall the nice moments when we were sitting here and talking about our life.

Пятый пункт: *why you decided to show the picture to your friend*, т.е. почему вы решили показать эту фотографию своему другу. I’m showing the picture to you because you have always wanted to see how Steve looks like.

Заключение: Now you know how my friend looks like. Next time I will show more pictures to you.

Задание №4

В четвертом задании вам нужно сравнить две картинки, следуя опять же определенному плану.

Task 4. Study the two photographs. In 1.5 minutes be ready to compare and contrast the photographs:

- *give a brief description of the photos (action, location)*
- *say what the pictures have in common*
- *say in what way the pictures are different*
- *say which of the activities presented in the pictures you'd prefer*
- *explain why*

You will speak for not more than 2 minutes (12–15 sentences). You have to talk continuously.

в вашем рассказе было вступление и заключение, четкое последовательное раскрытие пунктов задания, средства логической связи. И не забываем про объем – 12-15 предложений.

Давайте начнем ответ. Начинаем с введения, которое может быть, например, таким: I have just found two pictures in my album.

Далее переходим к раскрытию первого пункта – *give a brief description of the photos (action, location)*, т.е. краткое описание того, что за событие запечатлено на фото, и где оно происходит. В нашем случае вы можете сделать это вот так: To start with, I'd like to say that you can see my sister Jane on both pictures. She is an active girl and likes doing different kinds of activities. In the first picture she is cooking dinner in the kitchen and in the second picture she is snowboarding outside.

Далее раскрываем второй пункт – *say what the pictures have in common*, т.е. говорим о том, что общего у картинок. Both pictures have much in common. Firstly, you can't see anybody else around my sister. She is alone in both photos. Secondly, my sister is smiling in each case, which means that she is doing both actions – cooking and snowboarding – with pleasure.

Переходим к следующему пункту – *say in what way the pictures are different*, т.е. к различиям. Despite the fact that both pictures have much in common they have a number of differences. The first action takes place inside, but the second one takes place outside. In photo 1 my sister is wearing shorts and a T-shirt; in photo 2 she is dressed in warm clothes.

Далее пункт три – *say which of the activities presented in the pictures you'd prefer*, т.е. какой вид занятия предпочли бы вы сами. As for me, I'd better go snowboarding. И тут же объясняем – почему, т.е. раскрываем последний пункт: I'm fond of spending free time more actively. And frankly speaking, I'm not good at cooking.

И в заключение: If you'd like to know more about my sister, I will show some more pictures to you next time.
